WORK EXPERIENCE

Specialist

Apple

August 2022 - Present

Presented solutions for customers based on personal needs and constraints. Gave support to customers unfamiliar with the Apple Ecosystem. Collaborated with technicians, experts, pros and other sects of the store to bring our customers the best experience possible in store.

Associate

In-N-Out Burger

June 2020 to Present

Prepared produce for the restaurant, such as slicing tomatoes and skinning potatoes. Maintained cleanliness in the kitchen, back of the store and the dining area for our guests. Communicated with a team in a high pressure environment to problem solve and stay efficient. Took customers orders and handed them out with both accuracy and politeness.

Lifeguard

LEGOLAND California Water Park

April 2019 to October 2019

Insured safety of guests at the waterpark at all times. Assisted those in need of help (lost children, injured guests, guests in distress). Problem solved via audits with coworkers in and out of the water. Interacted with guests to help improve their visit to the park.

EDUCATIONAL BACKGROUND

California State University Fullerton

Fullerton, CA

Bachelor's Degree in Computer Science

2021 to Present

Classical Academy High School

Escondido, CA

2017 to 2021

GPA: 4.09 (Weighted), 3.72 (Unweighted) Member of National Honors Society (Sophomore-Junior) and Robotics Team (Freshman-Senior)

PROFESSIONAL SUMMARY

I'm currently a computer science student who enjoys using technology as a way to problem solve and create innovative solutions. I have elevated my ability to work collaboratively with various teams through my past experiences both in my professional and educational careers.
